

Endurance Vendor Meet

Endurance is very keen on supplier relation management and encash every opportunity to strengthen the bond with suppliers and treat suppliers as "Business partners".

As structured efforts to make this bond stronger Endurance conducts "Annual vendor meet" to share experiences, requirements and future outlook as well as understand suppliers' views for inclusive growth.

On eve of vendor meet there is cultural programme followed by Business meet on next day. Every year Endurance embarks on new theme in line with market scenario and business need like,

Vendor Meet 2019

Vendor Meet 2018

Vendor Meet 2017

Vendor Meet 2016

Vendor Meet 2015

During Vendor meet Performing suppliers are also appreciated by "Quality and TPM Awards". There are 7 types of Quality awards and 2 types of awards for TPM implementation. Endurance also shares Best practices or achievements at Endurance like Energy conservations, Endurance way of winning customer etc. Suppliers are also given opportunity to present their best achievement or practices of TPM, Quality sustenance etc.
