Sub.: Intimation of resuming plant operations in Italy

Ref.: Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

Dear Sir/Madam,

This has reference to our letter dated 25th March, 2020, wherein we had informed about temporary suspension of industrial activities by all operating subsidiaries in Italy. This suspension of operations was based on regulatory directions issued by the authorities concerned owing to pandemic outbreak of COVID-19 in Italy.

We now inform that all operating subsidiaries in Italy, except the foundry plant of Endurance SpA in Chivasso, have resumed their plant operations today i.e. 4th May, 2020 following the government directives to relax the lockdown. The plant of Endurance SpA in Chivasso is expected to resume operations on 11th May, 2020. All the plants shall gradually be ramping up operations to align with the off-take from their respective OEM customers.

We reiterate that it is too early to envisage the financial impact of this temporary disruption of manufacturing operations in India as well as overseas. Its impact will be ascertained in due course based on the culmination of this pandemic outbreak of COVID-19.

This is for information and update.

Thanking you,

Yours faithfully,

For **Endurance Technologies Limited**
