CODE OF CONDUCT FOR PREVENTION OF INSIDER TRADING***INTRODUCTION:**

Insider trading means trading in Securities of a company by its Directors, Designated Persons or other Insiders while in possession of unpublished price sensitive information.

Such trading by Insiders erode the investors' confidence in the integrity of the management and is unhealthy for the capital markets. The Securities and Exchange Board of India (SEBI), in its endeavour to protect the interests of investors in general, had formulated the SEBI (Prohibition of Insider Trading) Regulations, 1992 under the powers conferred on it under the SEBI Act, 1992, which came into effect from 30th January, 1992 and the same were made applicable to all companies whose shares were listed on Indian stock exchanges. To strengthen these regulations and to create a framework for prevention of insider trading to facilitate legitimate business transactions, SEBI had constituted a committee under the Chairmanship of Hon'ble Justice N. K. Sodhi in April 2013. Some of the recommendations of the committee were considered and approved by SEBI Board and accordingly, Securities & Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 (hereinafter referred to as – the "Regulations") were notified by SEBI on 15th January, 2015 which became effective from 15th May, 2015. The Regulations have been amended by SEBI, from time to time, in exercise of the powers conferred under Section 30 of the SEBI Act, 1992. The Regulations not only regulate trading by insiders but also seek to prohibit insider trading. The amendments aim to create adequate internal control systems for prevention of insider trading. The relevant extract of Regulations 3(1), 3(2), 3(2B), 4(1), 4(2) of the Regulations, which prohibit insider trading is quoted below:

“3(1) No insider shall communicate, provide, or allow access to any unpublished price sensitive information, relating to a company or securities listed or proposed to be listed, to any person including other insiders except where such communication is in furtherance of legitimate purposes, performance of duties or discharge of legal obligations.”

“3(2) No person shall procure from or cause the communication by any insider of unpublished price sensitive information, relating to a company or securities listed or proposed to be listed, except in furtherance of legitimate purposes, performance of duties or discharge of legal obligations.”

“3(2B) Any person in receipt of unpublished price sensitive information pursuant to a “legitimate purpose” shall be considered an “insider” for purposes of these regulations and due notice shall be given to such persons to maintain confidentiality of such unpublished price sensitive information in compliance with these regulations.”

“4(1) No insider shall trade in securities that are listed or proposed to be listed on a stock exchange when in possession of unpublished price sensitive information:

**(Ver. 7 - Revised by the Board of Directors at its meeting held on 6th November, 2024)*

Provided that the insider may prove his innocence by demonstrating the circumstances including the following”

“4(2) In the case of connected persons the onus of establishing, that they were not in possession of unpublished price sensitive information, shall be on such connected persons.....”

It is mandatory in terms of the Regulations for every listed company, market intermediaries, fiduciaries and any other person who are required to handle UPSI in the course of business operations to formulate a Code of Conduct for Prevention of Insider Trading to regulate, monitor and report trading by its Directors, Designated Persons and immediate relatives of Designated Persons. In addition, every company whose Securities are listed on a stock exchange, is also required to formulate a Code of Practices and Procedures for fair disclosure of UPSI (hereinafter referred to as - Code of Corporate Disclosure Practices).

OBJECTIVE:

In line with the Company’s Code of Conduct for Directors and its Employees, and in order to comply with the mandatory requirement of the Regulations, it was necessary to formulate a specific Code of Conduct to preserve the confidentiality and prevent the misuse of unpublished price sensitive information for use by the Company’s Directors, Designated Persons and immediate relatives of Designated Persons.

Further, the Code also seeks to ensure timely and adequate disclosure of unpublished price sensitive information to the investor community by the Company to enable them to take informed investment decisions with regard to its Securities.
